

January

Mrs. Lee's Second grade
classroom

Happy New Year everyone! I hope that you all enjoyed your Christmas break! We have a lot of fun and exciting things planned for the second graders this month. We will be learning about friendship and conflict resolution, Martin Luther King Jr., and the weather this month.

In Social Studies we will be studying the life of Dr. Martin Luther King Jr. We will look back at the significant changes he made to our world. We will learn about diversity and how all people are important.

In Science we will be learning about the different types of weather, what causes the weather, and we will be tracking the weather for a week.

In Literature we will be reading a folktale about how chipmunks got their stripes. We will be learning the difference between fairy tales, folk tales, and fables.

In Language we will be working on action verbs. We will also be incorporating our action verbs into a poem we will read for our Poetry folder. We will also be writing our own poems this month.

Reminders:

Catholic Schools Week will be coming up the first week in February.

100 day celebration will be Jan. 29th

Birthdays and Other Important Dates

Go school for Martin Luther King Jr.'s birthday: Jan. 18th
