FINAL THOUGHTS

This week we celebrate St. Patrick's Day. St. Patrick is a saint who teaches us the importance of sharing our faith with others. He taught us about the Holy Trinity using the shamrock. Let us continue the work he began and share our Catholic Faith with others, too. Begin with your own family—go to Mass together to worship and give praise to God the Father, God the Son, and God the Holy Spirit.

HAPPY ST. PATRICK'S DAY!!!!
