

## ART NEWS

Welcome back. My name is Mrs. Greco and this year will mark my 15th year as the Art teacher at St. James School. This year I will also be in the Pre-K room Monday-Thursday afternoons and assisting Mrs. Francik with 6th-7th Literature. My plate is full, but I am very excited and ready for my new teaching assignments!

All art classes will begin this year doing a drawing for the Square 1 Art fundraiser. Last year was the first year we tackled this fundraiser and it made a profit of \$856.00. The fundraiser takes your child's artwork and puts it on assorted products that you can then purchase. These products make wonderful gifts for Christmas. Look for more information about the Square 1 Art fundraiser to come.

I always will accept donations to the Art Room, here are some items I can always use: Elmer's glue sticks, youth sized scissors, Ticonderoga brand #2 pencils, bagged or real feathers, large and small google eyes, orange and black foam sheets. I will periodically post things that I need.

It is a pleasure to teach your children!

Mrs. Greco
