

BMO Harris Bank Center

Tuition Assistance Program

St. James Parish currently has a contract with the BMO Harris Bank Center and they are looking to renew this same contract for next year. This is a program for our school families to work at events and earn \$8.25 an hour for your family's tuition and our school. Many of the events are Ice Hogs games or concerts. Each event will last about 5 hours.

Currently we need a staff of up to 7 people per event. They would like us to commit to more if possible, but we want to be sure that we will be able to staff what we commit to. There are approximately 50-55 events, most of them occurring between October 1 and May 1, which translates to approximately 7-8 events per month.

A resource that can be used at times is Boylan students or parents (St. James past or current members) to earn service hours (students) or tuition assistance (parents). While challenging at times, if they know at the beginning of the school year that this is an option for service hours, we might be able to pencil in a couple of students per event. We should be able to count on the parents of the school, but we also don't want anyone feeling like they are overwhelmed and cannot take this on half way through the season.

Here are the scenarios of income (tuition aid) for our school:

7 Events x 5 hours x \$8.25/hour = \$288.75

5 Events x 5 hours x 8.25/hour = \$206.28

3 Events x 5 hours x \$8.25/ hour = \$123.75

The number of events you work per month is up to you, so you can earn this assistance in a month or over a few months.

Tuition assistance reductions will be made monthly, unless noted otherwise for St. James students. For Boylan families, tuition will be credited in December and May.

If you have any questions you may contact: Peter Smith or Mrs. Olson

We are now looking for those who would like the opportunity to volunteer and earn a tuition credit for their family.
