

SCRIP PROGRAM
EARN MONEY FOR YOUR CHILD'S CATHOLIC EDUCATION

What is Scrip?

Scrip Gift Certificates earn money for Catholic Education. Retailers sell the Scrip at a discount to St. James. You purchase the Certificates at face value. Scrip is used at stores just like money. Every purchase earns tuition credit for your family. .

SCRIP PROGRAM

MODEST SPENDING LEVELS

How many of you spend at least \$75 a week on groceries?

How many of you spend \$50 a month on clothing?

How many of you spend \$75 a week on gasoline?

How many of you spend \$50 a month dining out?

Now, convert the weekly expenditures to monthly expenditures.

Food - \$75/week x 4 = \$300/month

Clothing - \$ 50/month

Gas - \$75/week x 4 = \$300/month

Dining out - \$ 50/month

Total - \$700/month x 12 months = \$8400/year

The average portion of each scrip purchase that is earned by St. James with every scrip purchase is 5%. An average family, using these modest spending levels, would earn \$420 each year for St. James. A family that works at the program by focusing their spending on scrip participating retailers with higher percentages can earn much more! 90% of the proceeds you earn are credited to your tuition. Using our example; you would earn \$378 of tuition money for your family. There's no limit to the credits you can earn!
